

# mimi the Tag-along

When Mommy goes to the library,

Of course, Mimi tags along and has hers taken, too!

Mimi tags along.

At night, Mommy tucks Mimi into bed. Right after Mommy goes to her own bed, Mimi springs out from under the covers!

When Mommy shops at the supermarket,

Mimi tags along and shops, too!

Mimi tags along with Mommy to the bookstore. Mimi recognizes her old buddy Piggy from The Three Little Pigs.

When Mommy goes to see the dentist,

Mimi tags along and gets her teeth checked, too.

As Mimi walks along, her eyes are fixed on Piggy. With her head in a fog, she begins following a stranger.

When Mommy has her picture taken,

Uh-oh, Mommy's gone! Mimi panics and screams out: "Mommy! Mommy!"

Mommy has lost herself in a book. When she suddenly remembers to check on Mimi...

She discovers Mimi is gone! Mommy shouts out: "Mimi! Mimi!"

Mommy looks high and low, but still no sign of Mimi!

She runs out of the bookstore in a cold sweat.

How can she find Mimi in such a big crowd? Mommy is frozen with panic. Suddenly, Mommy spots a little girl wearing a Piggy hat. She rushes back into the bookstore...

and finds Mimi sitting on Piggy's lap.

Mommy hugs Mimi tightly. Mimi hugs Mommy tightly, too.

From that day on, Mommy became Mimi's "big tag-along".

And Mimi?

She still likes to be Mommy's "little tag-along".
